PRESIDENT'S MESSAGE

It is hard to believe, but this year's January Board meeting was NOT cancelled! How is that for an accomplishment? The weather has been very co-operative this year.

The morning session, the Board of Trustees meeting, was chaired by Ruth Allen. The major focus of the discussion was the recent break-in that you read about in your January Newsletter. We are trying to take measures to ensure that we don't have any such future problems, as well as to recoup checks and other items. We have had the locks changed and are looking into security systems for our headquarters.

We will also be repairing the front steps of our headquarters building, once the weather is suitable. If you are coming to headquarters to do research, please park in the rear parking area and use the rear entrance. We wouldn't want anyone to get hurt on the front steps.

Dr. Ritter was unable to attend, but sent in the list of new FFO members for final approval by the Board. Those approved will, of course, be receiving their hard-earned pins and certificates at the Convention the last week in May.

After the lunch break, the Executive Committee convened and was chaired by Executive Vice-President, Becky Taft, since I had to be in New Jersey because of the illness of my mother.

After reports were heard from the area Vice-Presidents, the various committee heads summarized their activities. Linda Fair is progressing on the publication of the Ancestor Charts, and has received several quotes for the two volumes. We hope to have that ready for sale at the NGS/OGS Conference.

Jana Broglin reported that she has managed to acquire a computer as the first prize in the Education contest currently in progress in many of our local chapters or counties. That is proving to be an exciting program for OGS and it is doing very well.

Peggy Horn, Historian, reported that George Klippel, long-time OGS volunteer, is in the process of getting the OGS records microfilmed. That will be a real benefit to us. This will also give us some experience in running a microfilm camera, once we get it all figured out, there's no telling what else we might put on microfilm.

Our Long-range Planning Committee head, Michael Clegg, brought up an interesting issue--should we accept manuscript materials, as an organization? On the one hand, you need trained personnel to process manuscript materials properly; on the other hand, no other organization in Ohio currently accepts genealogical manuscript (archival) materials. A committee has been set up to look into the matter and to develop a formal policy. If you would like to be part of this short-term, ad-hoc cmmittee, send your name and address to Tom Neel at headquarters, and he'll send it to the chairman. They'd really like to have a few non-Board members on that committee, so here's your chance.

Registrations for the NGS/OGS Conference are rolling in now, so be sure to get your reservations in as soon as possible, since there is an upper limit to the number of people who can attend. I certainly don't want OGS members to miss the bandwagon!

Last of all, our official membership for 1985 came to 6105 people. This includes regular members, joint members, and life members. This is the largest membership that we have ever had, and shows how much interest there is in genealogy, as well as how much support there is for genealogy in and about Ohio! Stay with us folks, we're the greatest!

Julie M. Overton, President, Ohio Genealogical Society

NGS/OGS CONFERENCE

More than one thousand amateur and professional genealogists are expected to gather in Columbus, Ohio, May 28 to 31, 1986, when the National Genealogical Society (NGS) will hold its 1986 Annual Conference in the States.

The Conference, which will feature programs, lectures, seminars, and displays for the beginning genealogist, as well as the most sophisticated genealogical researcher, will be hosted by the Ohio Genealogical Society, as part of its 25th Annual Convention.

Headquarters for the Conference will be the Sheraton Columbus Plaza Hotel, 50 North Third Street in downtown Columbus, Ohio. Reservations ($55 single, $60 double, $65 triple, $70 quad) can be made directly with the hotel. Telephone (614) 228-6069. Specify the NGS Conference.

Registration prior to May 1, 1986, is $75 and $90 after that date. Separate costs for breakfasts, lunches, and banquets is listed in the Conference brochure.

Sharron S. Ashton, NGS Regional Representative from Norman, Oklahoma, is the national conference chairman. Michael Clegg (Indiana), conference program committee chaiman, is being assisted by Carolyn B. Lewis (Ohio), his co-chairman. Subcommittee chairmen are: Karen B. Cavanaugh (Indiana), Donna R. Hotaling (Virginia), Sandra H. Luebking (Illinois), Carol W. Bell (Ohio), Andrea E. Cantrell (Arkansas), Phyllis Miller (Ohio), Lynn C. McMillion (Virginia), Dale C. Kellogg (Ohio), Elizabeth S. Mills (Alabama), and Wendy L. Elliott, (California).

Detailed Conference agenda and prices can be obtained by writing the Ohio Genealogical Society, P. O. Box 2625, Mansfield, Ohio 44906, or by calling OGS at (419) 522-9077.

Those persons wishing information on space for exhibitiors at the conference should contact Carolyn B. Lewis, Chairman of Exhibits and Displays, NGS Conference, P. O. Box 2625, Mansfield, OH 44906.

Host society chairman Robert A. Cunning and his co-chairman, Mary Jane Henney, have worked diligently to help make this the genealogical event of the year--the NGS/OGS Conference in Ohio, "The Heart of it All". Make plans now to join us.

The Lancaster Mennonite Historical Society, 2215 Millstream Road, Lancaster, PA, is sponsoring their eighth annual Genealogy Conference on Saturday, April 5, 1986. Don Yoder, professor of folk life studies at the University of Pennsylvania, will be the keynote speaker. Registration fees of $15.00 for LMH Society members and $20.00 for non-members must be post marked by March 25. The optional lunch on the premises costs $3.85, and the evening banquet at nearby Leola Family Restaurant is $9.00 extra. Details of the program and additional information are available from Lola M. Lehman, at the above address or by calling (717) 3939745.

EDITOR'S ADDENDUM

The Ohio chapters of the NSUS Daughters of 1812 have begun a new project of interest to genealogists.

They have begun collecting and compiling family group sheets on 1812 soldiers who either lived, served, or died in Ohio. This would be a standard sheet with information on birth, death, marriage, spouse, children and their spouses, etc. The service of the veteran should also be included, when known.

It is planned to index and publish these sheets, providing an important new genealogical resource. Everyone is encouraged to send family group sheets or other such information to: Mrs. Tacy A. Arledge, 11000 Judas Rd., New Holland, OH 43145. You do not need to be a member of Daus. of 1812, nor a direct descendant of the veteran. The primary goal is to collect as much information on Ohio soldiers as possible.

CONVENTION NOTES

O.G.S. Will Be Entertaining

It is a pleasure for the members of The Ohio Genelogical Society to share the wealth of Ohio's genealogical records and to host the 1986 N.G.S. Annual Conference in the States. Some of the busiest and best known genealogists of this country and other countries are planning to attend a concentrated three day learning conference in Columbus, Ohio, on 28-31 May 1986. Registrations have already come to us from nearly all of the 50 States and Canada.

The cost is a bit higher than our usual convention package, but look what you get for your money: 81 sessions from which to make your selections; new nationally known speakers you've not heard before; and new friends to make, who may be someone you've always wanted to meet.

Some 60 commercial exhibitors have already taken space. They are ready to exhibit and sell everything from genealogical needlepoint to tantalizing research works you can't wait to see. It will be a genealogist's paradise.

The Ohio Room will include space for each O.G.S. Chapter* requesting it, plus an inspiring display of early Ohio records that will fascinate you.

Truly, this will be the genealogical event of the year, while each of us, as O.G.S. members, is a host or hostess, you will be treated as cherished guests. You won't want to miss this outstanding event.

Get your registrations in early. We're looking forward to seeing you in Columbus.

Co-Chairmen: Robert A. Cunning
Mary Jane Henney

As of March 1, 1986, O.G.S. has a membership of 5181

ARE YOU A BEGINNING GENEALOGIST?

If the answer is "yes", the 1986 Conference is for you.

An exciting new seminar has been added to the 1986 Conference program. The NGS Education Committee will sponsor a seminar for beginners. This all-day series of sessions will be directed to the needs of the novice researcher. The morning session will address the question, "How Do I Get Started?" looking primarily at two areas - where to begin, and getting organized.

The afternoon sessions will consider various primary and secondary sources, including published books and newspapers, census records, church and cemetery records. The emphasis will be on how to find the records, how they can help us, and how to document the sources.

PRESIDENT'S MESSAGE

This month's President's message will be one of the most important ones you'll read during my current term as President of the Ohio Genealogical Society. It will admittedly reflect my strong belief in the democratic process and my support of groups such as the League of Women Voters that encourage informed voter participation.

In other words, the OGS election of all state-level officers, and of five trustees is upon us, so you need to INFORM YOURSELVES ABOUT THE CANDIDATES, and then SEND IN YOUR BALLOTS.

As you consider each candidate, ask yourself some questions. For instance, think of the office for which each nominee is running. Do their qualifications fit the job they are seekng? Do they have the potential for that job? If they are seeking a Trustee slot, do they have any experience in developing policies for organizatons? What policies and plans do they have for OGS?

If they are running for an Executive Committee position, do they seem to have organizational and/or managerial experience or ability? What kind of OGS projects do they support? Do they have any special qualifications for that job?

You can also ask about general aspects for all candidates. For instance, what kind of geographic representation do candidates present? Do you care if professional genealogists and amateur genealogists are equally presented - or should there be more in professional work than in the amateur ranks - or the other way around? If they are an incumbent, do you think they are doing a good job? Could the opponent do a better one? But these are only samples of questions. I'm sure that you can think of many of your own that would pertain to your concerns as an OGS member.

If the resumes included in this issue don't give you enough information to suit your needs and concerns, get your answers by contacting the candidate by telephone or letter. Ask others who might know particular candidates better than you do. Invite candidates to your chapter meetings and ask them to give a short talk about their view of OGS - or maybe invite a few of them to make up a panel of opinions.

But, however you do it, become an informed member of OGS and take the most important step of all - VOTE! I see voting as a responsibility of each and every member of OGS. We spend tremendous amounts of time serving you. Please take time to "return the favor" and spend the time to vote for those candidates who you feel will best represent both your own concerns and the future well-being of the Ohio Genealogical Society.

This type of election is the sign of a healthy organization, with members within that organization who care enough about that group to be willing to commit precious time and energy to the continued growth and health of that organization. We owe every person on the ballot a vote of thanks for being willing to commit themselves to the good of OGS.

There are only about six weeks left to inform yourselves about the candidates and send in your ballot. (For deadlines see the voting instructions.) Take advantage of your voting priviledge and responsibility and get your ballots in.

Julie M. Overton, President

INSTRUCTIONS FOR ANCESTOR CHART

The Ohio Genealogical Society is initiating a program of collecting Family Information Data Sheets (see the enclosed FAMILY GROUP SHEET). This is not a duplication of our Ancestor File, nor in any way meant to replace it.

We believe that most of our members have extensive information on many of their ancestors. It is our hope that they will use this means of sharing that information with OGS and other researchers.

Due to the possible volume this project could generate, we are asking that only direct ancestors be submitted at present. There are no specifications or limitations as to time periods or geographic areas.

If your information is already entered on a standard 8 1/2 X 11 form, you may submit photo copies of this, if you wish. Otherwise, a suggested form is included in this issue. This may be copied by you or you may obtain additional copies from headquarters at a cost of five cents each or six for twenty-five cents.

Committee: Jane Fisher
Betty Ambrose
Maxine Marshall

****

Instructions for use of the Family Group Sheets:

Traditionally, the male ancestor is placed on the top line and the wife's name is listed below on the appropriate line. If, however, you have a desire to begin with the female ancestor, you may by reversing the order.

The place of death and residence are both included as they are not always the same place. The residence should be the primary one. In all cases of women, use the women's maiden names. BURIAL--this can be either time or place or both.

Give the maiden name of each woman. Her married name can usually be obtained from the man's name.

Dates are recorded as 27 JUN 1893, not 6/27/93, because genealogists cover more than a 100 year timespan in their research.

Please see the reverse side of this form for listing additional children, additional information, and sources of your material. Include your name, address, and date on which you are submitting the chart.

CHAPTER ANNOUNCEMENTS

The "MOST VALUABLE CONTRIBUTION TO GENEALOGY AND HISTORY" award was presented to the Combined Health District of Montgomery County, Dayton-Montgomery County Public Library, Wright State University Archives and Special Collections, and Miami Valley Chapter, OGS, by the Miami Valley Council on Genealogy and History at their "Harvest of History" luncheon November 9, 1985.

The award was given in recognition of the compilation and microfilming of 35 volumes of birth records and indexes for Dayton and Montgomery County, (over 1/2 million names) which took over 2 1/2 years to complete. The microfilms are available at both the Dayton-Montgomery County Library and Wright State University Archives and Special Collections.

07. GENEALOGICAL TOURS

1986 GENEALOGY TOUR TO BRITAIN

The 12th annual genealogy tour to Britain has been slated for June 23-July 3, 1986, to be hosted by Bill Linder, formerly director of Central Reference at the National Archives in Washington. Over the past years since 1974, Mr. Linder°s popular educational programs have helped hundreds of Americans, Canadians, and others get their research in Britain underway. Bill Linder is author of the popular beginner's book, How to Trace Your Family History (New York, 1978).

The 1986 tour will continue a special feature, Linder said, with housing for two days in a picturesque conference retreat away from London. Most lectures on British research will be staged in Allington Castle in Kent. The educational orientation will be based in London as well as the Castle near Maidstone. Highlights will be lectures by a staff of noted British genealogists, personal consultations with lecturers, orientation and research at the Society of Genealogists Library, time for sightseeing and for research in other depositories, a visit to the Cathedral and ancient city of Canterbury and the nearby Library of the Institute of Heraldic and Genealogical Studies, a dinner on the Thames with entertainment, an exciting "medieval feast", and more.

After the organized program ends, participants can either return home, stay on in England to do research or sightseeing, or they can travel on to the Continent for a European vacation. Write! Find out how this interesting sightseeing, research, study program works and why it has been so successful for so many years. BILL LINDER, 6129 Leesburg Pike #820, Falls Church, VA 22041.

QUESTIONS & ANSWERS

Regarding the question on "Canals" in the March 1985 NEWSLETTER--

The Public Library of Cincinnati & Hamilton County, 800 Vine St--Library Square, Cincinnati, OH 45202-2071 has a collection of reference material that was placed in the Rare Book Dept. that pertains to waterways. They have made a publication listing all of the books in the collection entitled "Catalogue of Inland River Waterways" and offer it for sale at about $3.00.

Another book that can be found in some libraries is Who's Who on the Ohio River and Its Tributaries by Ethel C. Leahy in 1931.

EDITOR'S ADDENDUM

The Morgan County Chapter, OGS, has separated from the Morgan County Historical Society. This has resulted in the loss of monies, acquisitions, membership lists, etc., which remain the property of the historical society.

Lois H. Phillips, OGS Trustee, has requested our support for this chapter in every way possible. They badly need our membership fees and/or donations of money and resource materials.

Helen Hooven Santmyer, author of ". . . AND LADIES OF THE CLUB", HERBS AND APPLES, and OHIO TOWN died February 21, 1986, in Xenia, Ohio. Miss Santmyer wrote about life in small town Ohio through a historical perspective.

A member from Delaware, Ohio, says that she has heard recently that in some eastern states, even as early as the late 1700's, a will was usually proved ten days after the testator's demise, with the result that a genealogist can now pinpoint the exact date of death fairly accurately for any ancestor having a will. Could one apply this rule in Ohio to ancestors who left wills but died before deaths were recorded in Ohio? Do you have a response for her?

PRESIDENT'S MESSAGE

Our March meeting was held at Warren, Trumbull Co., and we were welcomed by Phyllis Hess, President of the Trumbull Co. Chapter. Her chapter also provided huge donuts, which were very much appreciated.

Our first report was from Dr. H. S. Ritter, Chaiman of the FFO Committee. He reported that, as of that board meeting, 110 new people are joining the ranks of First Families of Ohio. These successful researchers represent 374 pioneer ancestors. Although Dr. Ritter didn't know about it at the time, Tom Neel had brought him a whole stack (about 18" high) of new applications. So, it looks as if the Saturday evening banquet (education awards and FFO) at the NGS/OGS Conference will be a full evening. I hope you'll be there.

Dr. Ritter also reported that he is working hard on getting a new Roster of FFO people together (Carol Bell compiled the first one several years ago), but due to excessive numbers of applications this year, the Roster itself will not be available until later this year. It's a lot of work, because he is also adding further information on the Ancestors. If you could help in any way, please contact Dr. Ritter via headquarters.

Carol Bell, Editor of the Report, indicated that the lateness of the last issue for 1985 was due to the new way of trying to get the surname index for 1985 compiled. It seems that the first time you try to do something on computers, you could have done it faster using the old methods! But the process has been worked out, so that the 1986 indexing will go much smoother and faster. The first issue for 1986 was at the printer's, so things are back on schedule.

It was announced at the trustees meeting that the Bushnell property has been officially offered to the Richlnd County Historical Society rather than to OGS, as we had originally thought, so the Board is now planning to go "full steam ahead" on our original plan to build a library on our current property on West Third Street. The Building Fund now stands at just over $31,000, so we have a long way to go, but there are prospects of matching funds, so do consider sending in a contribution, either as an individual or as a chapter.

The plans for the 1986 NGS/OGS Conference are all ready for the big meeting. All we need now are registrations and additional offers of help. If you can help out, even for a brief time, drop headquarters a note. The Sheraton is beginning to fill up too, so don't delay. Get your registration in as soon as possible. Don't forget that the registration fee will go up on May 1 and that's not that far away!

Looking ahead at future conventions, the Executive Committee also decided to have our OGS Convention for 1988 at the Kings Island Inn, just north of Cincinnati. We had looked into Cincinnati hotel sites, but those seemed too expensive, so we'll be at Kings Island. That ought to be fun for the whole family. The site for 1987 is almost finalized, but not signed on the dotted line yet. We'll let you know the location and dates just as soon as things are worked out.

Don't forget that your election ballot was enclosed with your March OGS Newsletter, and the deadline for getting your votes in is May 19 (postmarked) or May 22 if hand-delivered to headquarters. So, if you haven't sent in your ballot yet, do it NOW.

Finally, we'll have at least one new chapter receive their charter at the Conference. Huron County will be welcomed into the fold. If any other groups would like to become chapters at the Conference, make sure that your by-laws and list of at least 15 OGS members gets to me by the next Board meeting, scheduled May 3 at Mansfield.

PRESIDENT'S MESSAGE

When I was elected to the job of President of the Ohio Genealogical Society two years ago this month, I thought I'd have plenty of time to do all the things I wanted to, but here we are, two years later, and I've only accomplished some of those things. Time has really flown by!

As I look over the newsletters for the past two years, it feels as if OGS was always changing something. Our office manager changed, our bookkeeper changed a few times, we changed hours twice in a row, we made corrections to earlier changes, we worked on several different possibilities for enlarged headquarters. Some might think that all this is a sign of indecision, but I see it as a direct result of the continued growth (about 500 new members during the last two years) and positive development of the Ohio Genealogical Society. This is coupled with a desire by your leadership to keep things functioning as smoothly as possible. OGS is larger and more active. We are adding new programs. All of this is with the clear objective of serving all our members in the best way possible.

My personal, major goal during these two years was to keep you, the membership, in touch with the "goings-on" of the OGS. I tried to inform you about everything you needed to know by writing longer President's Messages, through initiating the Calendar of OGS Events and Deadlines for 1986, and through initiating the traveling board meetings, all so that the membership could get a chance to visit with me, and so that I could become better acquainted with both individual chapter members, chapter officers (they are among our next state-wide leaders, you know!), and with chapter problems and successes. In the end, however, only you, as OGS members, can be the judge of how successful this personal goal has been.

One thing has become very clear to me during my stint as President: I could never have accomplished these things without the active support and energy of everyone. The committee heads have worked diligently; the staff has been super-cooperative; the Board members have challenged and supported me. People new to me have offered help "out of the blue". Which all means that most of the time, all I had to say was, "Please do this," and they did it, and you received the benefits!

There are still two other factors which made it possible for me to do things for OGS. My family (husband and two teen-age daughters still at home) have done everything they could (well, almost!) to allow me to travel, to write, to think, and to telephone. They have supported me.

My director at the Greene Co. District Library felt that being OGS President is an extension of my professional duties here at the library. Without that extra support, I could never have completed the job adequately.

To all of these people and to everyone else who took the time to write, to comment, to complain, to praise, I extend my deepest thanks!

Julie M. Overton
President, O. G. S.

The Board of Trustees and Executive Committee met on May 3, 1986, in Mansfield. Mostly routine business was discussed with a full report on the 1986 NGS/OGS Conference given by Bob Cunning.

The Board accepted, with deep regret, the resignation of Clifford T. Wig, member of the Board of Trustees, and former president of OGS. He also resigned his position as the Business Affairs chairman, and as a member of the Constitution Committee, the Computer Advisory Committee, and Finance Committee. Cliff, who resigned for personal reasons, has been a member of OGS for 15 years, on the Board of Trustees for several years, and is still active with the Stark County Chapter, OGS. Cliff has been a valuable member of the Board. We will miss him and his expertise.

Would the person who sent in the Tatum and Hudnall charts was part of the Family Group Sheet project please contact Tom Neel at OGS headquarters? No name or address was found on the charts.

The CLERMONT COUNTY GENEALOGICAL SOCIETY has recently obtained a rare treasure. It is a bound volume of original WESTERN AMERICAN newspapers from its first publication on Friday, July 29, 1814, through its final edition in September, 1816. It is in excellent condition and provides much insight into that early time period.
The newspaper project was accomplished under the direction of Maxine Fisher, Society president. Negotiations were handled by Aileen M. Whitt, a member, for the purchase. Indexing was done by Charles E. Smith, also a member. The Society is grateful to the American Antiquarian Society and the Readex Microprint Corporation for microfilming the newspaper. Although it does not contain a tremendous amount of local news events, the information does include advertisements, legal notices, and lists of letters unclaimed at the post office.

CORRECTION

The comment that no other organization was accepting miscellaneous materials on genealogy was evidently in error. Elizabeth Eastwood informs us that Western Reserve, Ohio Historical, and the State Library of Ohio do accept it. She comments that you need plenty of vertical files and catalogue cards to do this.

The 1986 NGS/OGS Annual Conference is now history. There were 1200 people in attendance, including people from twenty-seven states and three foreign countries. There were seventy-five exhibitors with 1100 linear feet of commercial display space. Twenty-three chapters of the Ohio Genealogical Society filled the Ohio Room. This expanded conference brought to Ohio a total of sixty-eight fine teachers and lecturers in the field of genealogy, many of national repute.

One of the pleasurers of this conference has been working with Sharron Ashton, NGS Conference Chairman. She was a congenial and gracious co-worker. Besides our fine OGS people, we worked with the people who will serve as hosts for future NGS Conferences: Jo White Linn, Raleigh, North Carolina, 1987; Ann Anderson, Biloxi, Mississippi, 1988; and Charles Stuck, St. Paul, Minnesota, 1989.

From all the evaluation sheets and comments about the 1986 Conference, it was a huge success! We want to take this opportunity to thank each and every one from OGS who gave of themselves so graciously to make the conference the success that it was.

The Ohio Genealogical Society was proud to receive the certificate below at the NGS Banquet in Columbus on May 30, 1986. Colonel Nell, outgoing President of The National Genealogical Society, also presented the Award of Merit to Robert A. Cunning, Mary Jane Henney, Dr. William R. Houston, MD, W. PRESIDENT'S MESSAGE

The NGS/OGS Conference in the States is now over. This message will be a review of the events which occurred.

The overall scheme of the program was to have committee meetings (local and national) on Wednesday and genealogical education and computers and genealogy on Thursday. Friday and Saturday were reserved for lectures of all sorts, with half hour breaks in between to allow for visiting friends and exhibit booths.

The Annual Meeting of the Ohio Genealogical Society was held in the Masonic Hall immediately behind the Sheraton Hotel. The OGS districts, chapter officers, and the out-of-state people were introduced. Ruth Allen, Chairman of the Board, gave a review of the past year and introduced the trustees. I then gave my perspective of the past two years, and then we were given special reports from the 1880 Census Indexing Chairman, Terry Dunn; the Education Committee, Jana Broglin; and the Constitution Committee. Lois Phillips gave the report on this, and concluded with a motion to allow the Constitution committee to continue their revising process, to present the results to the OGS Board of Trustees for review, and then to present the proposed product to the general membership for final approval at next year's convention. The motion carried.

Two new chapters were presented their charters: Huron County's charter as chapter #81 was presented by William Marquart and Putnam County was welcomed by Diane Gagel as chapter #82. We welcome both chapters and look forward to working with them.

Officers elected to serve for the next two years and trustees to serve three years were announced. Look for the results elsewhere in this newsletter. I am really excited about the confidence expressed by our members in reelecting me as president. I would also like to express my deep appreciation for those candidates who ran but were not elected. Wanting to be a part of the OGS leadership means that they are really dedicated people. I do hope they continue to support OGS activities and even submit their names on future ballots. They are all great people.

At the First Families of Ohio banquet over 200 people received their certificates and pins. Tacy Arledge added a new note by developing a short ceremony to honor both the Ohio ancestors and their descendants. It was very effective and moving.

Jana Broglin awarded the first prize of a computer and printer to Valerie Shreffler for her winning essay in the first annual family history essay contest. Look for a complete list in this newsletter of the winners at the district level.

Chapters who sent in reservations for a sales table at the convention were in the Ohio Room on the fourth floor. Although they had a lot of business, they melted in the warm room. We hope that all of these chapters benefitted from their hard work.

Tom Neel and Danja Schaefer performed a great service by operating the OGS table at the convention. Although they did have some volunteers to help out, they did the largest share of the work--and work it was. Answering questions about OGS membership, responding to people wanting to know why they had been rejected for FFO, trying to sell lots of books, and serving as an auxiliary "information post" for the entire convention, they really had their hands full. Thanks Tom and Danja for a job well done.

To me, the most moving rewarding part of the whole proceedings was standing at the head table during the Business Meeting and leading over 300 people in the salute to the American flag, followed by a moment of silence, to honor all those men and women who gave their lives for their country. May 30 was the real Memorial Day. Believe it or not, I was almost rendered speechless!

To all of you out there, I say thank you.

Julie M. Overton, President, O. G. S.

PRESIDENT'S MESSAGE

Well, members, things are getting back to normal after the OGS/NGS Conference. We've had our first Board and Executive Committee meeting, people are being asked to serve as Committee chairpersons or to work on a particular committee, new ideas are popping up, and the office is beginning to relax a bit.

The re-organizational meeting of the OGS Board of Trustees and Executive Committee was held in Mansfield on June 14. Ruth Allen was in charge of the morning session. After some personnel review and a report from our auditor, Dr. H. S. Ritter reported that he has already received new FFO applications. He also indicated some cosmetic changes are being considered for the FFO application forms, since we are running low on forms, and will have to have new ones printed up soon.

Dale Kellogg reported a few problems with the election process, and an ad hoc committee will meet to consider these problems and draw up recommendations for future elections. A few of you have written us about your concerns, and the items cited in your letters will also be carefully evaluated. Thank you for your input.

Winton Arnold reported that the front steps at OGS headquarters have finally been completely redone. It took some research, since we wanted to make the steps look right, given the style of the building. He also reported that there are some major upkeep items that will need expensive attention: like roof repairs and damp basements. (Sound familiar to you home owners out there?)

The afternoon session was the Executive Committee meeting, with yours truly (armed with my gavel presented to me in 1984 by the Green Co. Chapter, OGS) presiding. The meeting was a bit different this time, since there were several new Area Vice Presidents and some new people reporting on projects. The 1986 Convention report was presented by Co-chairman Mary Jane Henney. This was followed by a round of applause for everyone's efforts toward the really successful 1986 meeting.

Pat Donaldson reported that plans are already underway for next year's OGS Convention, scheduled for April 24-25, 1987, at Perrysburg, just outside of Toledo. The crew in northwestern Ohio has some really neat ideas, so make sure to mark your calendars for this event.

Jana Broglin happily reported that the Education Essay Contest packets were all ready to be sent out, so if your chapter hasn't received theirs yet, contact either Jana Broglin or Tom Neel. The contest will be bigger and better!

There are two upcoming meetings to note. The next Trustees and Executive Committee meeting will be July 26 at Perrysburg's Holiday Inn/French Quarter, so we can all see next year's convention facility first-hand.

The other meeting is the Chapter Leadership seminar scheduled for August 16, 1986, at the Mount View Baptist Church in Columbus. This is being planned for all OGS Chapter leaders and potential chapter leaders, since there was really no time at the Convention to do anything like this. There will be fifteen separate presentations on how to run a chapter effectively and still have fun and do genealogy. There will also be plenty of time within each session for good questions and discussion periods. Besides, we've never done anything quite like this before. (It includes what I think might be the first OGS state-wide potluck meal!) However, it won't succeed without chapter participation. All chapters should have received full details about the meeting by now, so do come learn about chapter jobs, talk with others about those jobs, and meet other OGS members. I'll see you there.

Julie Overton, President

ADDITIONS AND CORRECTIONS

Michael Clegg was inadvertently omitted from the list of OGS members who received Awards of Merit from the National Genealogical Society at the NGS/OGS Conference in Columbus last month. Our congratulations to Michael for a job well done.

EDUCATION CONTEST

Jana Broglin, Education Committee chairperson, has announced the 1986-1987 essay contest. It is for students in 10th, 11th, or 12th grades in Ohio.

Also--
The contest is open to OGS out-of-state members' children, provided the child is in the 10th, 11th, or 12th grade. Students wanting information on the contest may contact the OGS headquarters in Mansfield.

The essay may be written about any great-grandparent. The ancestor may be from ANY county, state, or country. Please note this change as it will open the contest to many students.

Word length has been increased to 1500-1750 words. This way the contest may also be used in the History Day contest.

Previous state winners may not enter the contest again.

The essays must be footnoted showing where each piece of information was obtained.

A bibliography must be included.

Each step of descent from the ancestor to the entrant must be proven.

Photocopies, not original documents must be used.

All entries become the property of the Ohio Genealogical Society.

Each chapter should have received information for the contest by now. There was a 50% responses from the districts this year. Let's aim for 100% for the next year.

EDITOR'S SPECIAL MESSAGE

The July issue of the "OGS Newsletter" was late due to computer difficulties. We were unable to print address labels to put on the newsletters and, therefore, we were unable to mail them to you. We apologize for any inconveniences this may have caused. We are hoping to be back on schedule with this issue.

PRESIDENT'S MESSAGE continued

Mary Jane Henney, Chairman of Headquarter's Volunteers announced the Volunteers Recognition program held July 29. (See article elsewhere in this newsletter.) Our HQ volunteers spend a lot of time and energy keeping things within OGS running smoothly. I join with her, on your behalf, in extending to all of them my sincere appreciation.

Finally, the next Board and Executive Committee Meeting is scheduled for Saturday, September 27 in Mansfield. There will be one major change, however. We have decided to have the Executive Committee meeting in the morning and the Board of Trustees in the afternoon. This change is primarily to make sure that if there are financial items to be approved by the Board, those can be recommended that same afternoon, instead of having to wait for two months, as in the past. As always, if you are interested in coming to either of these leadership meetings, please do let us know. The Trustees are only managing the organization "in trust" for you. As Executive Committee members, we are managing the day-to-day operations for you.

Julie M. Overton
President, Ohio Genealogical Society

1987 STATE OGS CONVENTION

Plans are being made for the 1987 OGS State Convention which will be held April 24 and 25 in Perrysburg, Ohio, at the Holiday Inn French Quarter. Next year's convention hotel is easily accessible from both I-75 and the Ohio Turnpike.

The Program Committee is planning to have sessions for both the beginner and the more advanced genealogist. Several of the sessions being planned have not been touched in recent years, if at all, at the OGS Conventions. The Committee hopes that members of the Ohio Genealogical Society will take this opportunity in April of 1987 to travel to Northwest Ohio, the site of much early Ohio history and a popular tourist area. This will also be an excellent time to take advantage of the great genealogical collections in the Toledo area.

PRESIDENT'S MESSAGE

It's all over now. The First Annual Ohio Genealogical Leadership Training Seminar was held in Columbus on August 16. The workshop was designed to help chapter leaders, and potential chapter leaders, work more effectively with their chapters. It was also hoped that since there had been no chance for a President's Breakfast at last year's convention, we could get some of that "get-acquainted-air-your-gripes-ask-your-questions" feeling going, even if only for a short time.

The day itself was drizzly, but the impromptu pre-meeting held outside the church under umbrellas helped to set the tone for the day - we all had a great deal of fun, and good companionship was also developed.

The first four sessions were: Chapter Presidents, Chapter Secretaries, Treasurers, and Vice-Presidents. Each group met in one corner of the large church meeting hall, and the sessions were started by a leader who gave about 10 or 15 minutes worth of outline on the topic. The real fun began when the sessions were opened up for questions or comments. That's when everyone had a real chance to ask questions about that job, and to get some direction from the leader or from the other participants. After all, no one person ever has all the answers, and by giving the group a chance to share their solutions, you expand your background of experience tremendously.

The second session had another four topics: Education, Libraries, Newsletters, and Program Planning. As in the first session, there was a lot of give-and-take. The four leaders of these groups represented the overall background of the sessions leaders: two were names that are known to most of you, but whose faces you may never have seen; and two were newer people to the O.G.S. scene - our future leaders?

The third session only had three groups organized. They were on Office Procedures at Headquarters, Chapter First Family Programs, and Membership. Again, all three sessions were lively, and Tom Neel got a chance to explain what his job is, and how people can help him.

We then broke up for perhaps the most successful part of the overall program - the lunch! I can't help but wonder if this wasn't the very first time the Ohio Genealogical Society has had a state-wide potluck luncheon! One section of the state brought main dishes, another brought salads, a third provided the beverages, and the last section brought the desserts (one of the desserts was a sheet cake - with "Clermont Co" written in as part of the decoration!). The line was rather long, but there was plenty of food for everyone, and the meal itself was delicious. Margaret Kelly and Darlene Lewis of Hancock Co. volunteered themselves spontaneously as the food organizers, and that helped the lunch part run more smoothly.

The afternoon settled down again with four presentations: First Families of Ohio, Publishing Books, Public Relations, and Cemetery Legalistics. These were some lively sessions, too.

We ended the day with a "general session" which had announcements, some suggestions on uses for the new building to be built in Mansfield, and some comments about whether or not another such meeting might be held. The consensus was that this ought to be done annually, separate from the convention, at a centrally located place, etc. - but start an hour later (9:00 <u>is</u> hard for some very far away people)!

Thus, this first-time-ever session was pronounced a success. We had 75 O.G.S. members attending, representing 22 different chapters. It took 13 leaders to lead discussions. I'd like to thank those leaders for their help. They agreed to do something we hadn't done this way, and all reports were that they were just great, giving their introductions, and allowing a good amount of give-and-take among the group - which is what we were trying to do, after all.

PRESIDENT'S MESSAGE continued

But, those leaders were essential to the success of the meeting, so I'd like to thank all of them: Jeanne Pramaggiore (Secretaries), Betsy Hartley (Treasurers), Dale Kellogg (Vice-Presidents and Chapter First Families), Jana Broglin (Education), Suzanne Mettle (Libraries), Sunda Peters (Newsletters - of course!), Phyllis Miller (Program Planning), Tom Neel (O.G.S. Office), Richard Abell (Membership), Dr. H. S. Ritter (F.F.O. - who else!?!), Jean Worden (Publishing), Terry Klaiber (Cemeteries), and myself (Presidents and Public Relations).

Thanks to all of you - but my special thanks go out to those of you who dared to jump in on this first effort - it was you who made it a success!

Julie Overton, President
Ohio Genealogical Society

The HAMILTON COUNTY CHAPTER, OGS, has been asked to assist the Cincinnati Bicentennial Commission in locating descendants of the original pioneers, who will be invited to take part in the ceremony of the reenactment of the landing of the first boatload at Yeatman's Cove. Mr. Tim Hensgen, chapter member and descendant of Hezakiah Stites, will serve as chairman of this special committee. It is hoped that the following article may help them locate some of the descendants. If you can help, contact Mr. Hensgen at 7420 Drake Rd., Cincinnati, OH 45243 or call him at (513) 791-1552.

On December 28, 1988, Cincinnati will honor its founding. The Cincinnati Bicentennial Commission is hoping to locate descendants of the original pioneers who founded it and the other two settlements in the Symmes, or Miami Purchase--Columbia at the mouth of the Little Miami and North Bend, near the mouth of the Great Miami.

The first landing occurred on November 18, 1788 at what was called Columbia. Major Benjamin Stites led the party, accompanied by his wife and son, Benjamin, Jr. A momument in the Pioneer Cemetery, erected by the Columbia Township Baptists in 1889 in the burial ground on Wilmer Road, opposite Lunken Aiport, lists the remaining members of the party: Rachel and Ann W. Stites, Greambright Bailey and wife, James F. and Reason Bailey, Asel Cook, Jacob and Elijah Mills, Jonathan Stites, Edmond Buxton, Daniel Shoemaker, M. Hempstead, Evan Shelby, Allen and Hampton Woodruff, Joseph and Benjamin Cox.

The second landing was made December 28, 1788, at what is now Yeatman's Cove. Ford's HISTORY OF CINCINNATI (1881) lists the following "Honor Roll" arriving on the first boat: Noah Badgeley,, Samuel Blackburn, Thaddius Bruen, Robert Caldwell, Matthew Campbell, James Carpenter, William Connell, Matthew Fowler, Thomas Gizzel (Gissel), Francis Hardesty, Capt. Henry, Luther Kitchell, Henry Lindsey, Israel Ludlow, Elijah Martin, Wm. McMillan, Samuel Mooney, Robert Patterson, John Porter, Evan Shelby, Joseph Thornton, Scott Traverse, Isaac Tuttle, John Vance, Sylvester White, and Joel Williams.

The third landing by Judge John Cleves Symmes and his family came on Februry 2, 1789. Capt. Kearsey and Capt. Henry were in this group, apparently. Other early settlers gleaned from the records include Peter Keen and Jemima Gard, who were married on September 10, 1789 by Judge Symmes. Capt. Gershom Gard, father of Jemina, and other members of the Gard family were there, including Unice Gard, who married Ephraim Brown on February 10, 1791. Stephen Wood, Aaron Cadwell, Elizabeth Carter, Stephen Carter, Daniel Cox, Daniel and Eunice Howell, Capt. Wm. Rittenhouse, and Wm. Wells were there at an early date also.

Contact Mr. Hensgen if you can locate any of the descendants of these early setters.

Memo to all OGS members:

We must apologize for the tardiness of the OGS NEWSLETTER for August. We believe that lightning was the culprit that caused the computer problems. A solution to the problem is being worked on. Meanwhile, we have had volunteers print our 5,000 labels. We do appreciate the super work and all of the time that they have spent on this complicated project.

You should have received July and August by this time. If you have not, please write us and we will attempt to check our files to rectify the problems.

Because the OGS NEWSLETTER is mailed fourth class, it may have been especially late getting to our valued members in California and points west of Ohio.

Please bear with us in our persistent efforts to get the news to you before the events listed in it have taken place. We apologize for any inconveniences this may have caused.

Sunda Peters, OGS NEWSLETTER Editor

P. S. The Bible records that have been sent as of this time have been filed. If you have some new ones or have not sent OGS a copy of the Bible records that you have, now is a good time to do it.

PRESIDENT'S MESSAGE

The newspapers later said it had stormed, it had hailed, trees were down, cars had been shifted - but through it all, the O.G.S. Executive Committee and Board of Trustees meetings went along as if nothing were going on outside!

Our September 27th meetings were scheduled differently, with the Executive Committee coming in the morning, and the Board of Trustees meeting in the afternoon. That way, if budgetary items need Board approval, we don't have to wait for two months.

We heard reports from most of the Area Vice-Presidents, but one of the most interesting items was reported by Rita Kopp concerning the new way Holmes Co. officials are coping with the problem of serving current legal needs, as well as the genealogist's requirements. They are in the process of setting up a "research room" at the courthouse, and the older records will be stored adjacent to that room, with easy access. I wonder - will that be a first for Ohio?

Dale Kellogg, as Treasurer of the recent OGS/NGS Conference, presented us with our share of the monies left over from the Conference - to the happy tune of $10,000! Later, by motion of the Board of Trustees, this money was deposited in our New Building Fund account, which will bring it up to over $41,000.

While I'm at it, I want to make sure you understand the O.G.S. Building Funds. Right now, O.G.S. owns two adjacent buildings, one being our headquarters building, the second being a slightly run-down apartment building, with room for three separate families. Although we knew the headquarters building needed some repairs, we were waiting to finalize plans for expansion. Now that we have made the decisions, we are doing two things at once: 1) We are collecting Building Fund money to construct a library building on the site of the current apartment house (which will be torn down). That's the fund we keep urging people to send in money for (tax deductible folks - at least in 1986). And 2) We are repairing the current headquarters building so we can use it for a long time to come. That's why the roof is getting repaired, new carpeting is being installed, the basement stairwell has been improved, etc.

Once both buildings are in operation, it will mean modern library facilities, with access for handicapped researchers, and even some additional parking. We will also have the current, separate building for the office operations and for storage - which we desparately need!

But, back to the Board meeting. Jocelyn Wilms, our new Speaker's Bureau Chair, said she has requests for speakers on Czechoslovakian research, as well as for other eastern European areas. If anyone can recommend a speaker on this topic, please let her know.

Dr. H. S. Ritter reported that we already have thirty new F.F.O. members approved, and fourteen people who were already F.F.O. members who had an additional forty-three ancestors approved - so things are well on their way toward another "bumper crop" of inductees.

Finally, more talk about computers! As you have already read in past Newsletters, we have been having quite a time with our computers, due, it turns out, to unfortunate lightning strikes. This all resulted in late Newsletters and lots of extra work for the office staff and volunteers. At this point, we have now approved getting updated equipment for the part that was "out of order and not likely to be repaired". So once we get the new equipment installed, things should run smoothly once more - please do have patience with us - we'll get there!

Just a reminder - your O.G.S. renewal notices will be coming out soon (with computer cooperation, I hope!). Do send yours in once you get your notices; we don't want you to miss a single issue of the Newsletter or Report so we can all stay in touch with each other.

Julie Overton, President
Ohio Genealogical Society

QUESTIONS AND ANSWERS

#1 According to family Bible records, my great grandfather was born in the town of Rietzig, province of Kleinspiegel in Pommernia, Germany, and great grandmother was from Liebenow, province of Brandenberg in Germany. Both provinces are now in Poland and names of towns were changed. Therefore, how do I find what the names of the cities are now? Where would I write for church records?

#2 Male members of my husband's family have been members of the Masonic Fraternity since my husband's great, great grandfather. He died in 1897. Is there anyplace I can write to find out what records they would have on their members?

The index consists of approximately 12,000 surname cards, listing approximately 50,000 names. When the area where the family lived is listed, this information is added on the index card. This information is especially useful when researching common surnames.

As a reminder to those who would like to submit Bible records for our collection, photo copies of the record pages and the title page containing publishing date are preferred, along with a typed or printed translation of names and dates. If you have difficulty obtaining a photo copy, a typed or printed copy will be accepted. If you desire to have your Bible record published in The Report or Ohio Records and Pioneer Families, please include permission to publish.

QUESTIONS AND ANSWERS

RE: Newsletter--August 1986, page 113--letter from Gloriane Fahs of Potomac, MD

Under present practice parents deed to children for a consideration of love and affection or for no consideration at all.

For many years a deed represented a contract. A contract to be legal had to have a consideration moving both ways. So it was that a deed had to recite a consideration. In the 18th century and early 19th century the actual consideration was usually shown. Later the consideration was simply stated as One Dollar ($1.00) or Ten Dollars ($10.00) and other considerations.

Each case had to stand on its own facts. In some cases children paid the parents for real estate. In some cases no payment was made.

We thank John F. Gessner, of Gessner, Platt & Dull Co., L. P. A. of Cortland, Ohio for this information.

OGS BUILDING FUND STATUS REPORT

OGS DELAYED

DELAYED WHAT?

OGS delayed raising the money to build a new OGS Building--a new library/record center.

WHY THE DELAY?

We had a promise of a gift--a large building--but the offer was withdrawn.

HOW WILL WE SUCCEED?

RICHLAND COUNTY FOUNDATION'S CHALLENGE:

The Richland County Foundation has promised one dollar for every three dollars OGS raises, up to $75,000.

OGS has raised $45,000.00. We need to raise $188,000.00 to get these matching funds. This $188,000.00, with the matching funds, will allow the much needed library/record center to be built.

HOW MUCH?

There are 10,000 members and associated members of the OGS Chapters. Simple arithmetic says a mere $18 from these members and friends, along with the matching funds, would build the library/record center. This is less than the cost of the usual genealogical book.

Why not look upon this as an opportunity to help yourself, your children, and your children's children by giving a generous gift, at least equivalent to the price of a good genealogical book, by sending a check to OGS BUILDING FUND. The matching funds, along with your generous gift, will provide a place to store and conserve our genealogy and history for our children's children's future.

Remember that your gift is tax deductable under present Internal Revenue Code until December 31, 1986, whereas, your gift next year will be under the new tax law. Also, we hear often of restriction and closing of our records. Here is an opportunity to see that our records are assembled, stored, and assured of availability in the future.

Remember, if all the above 10,000 sent a mere $18.00, we would have enough for the matching fund and to build. Send your gift to:

OGS BUILDING FUND,
P. O. BOX 2625,
MANSFIELD, OHIO 44906.

GET INVOLVED! GIVE!

URGE others--members, friends, and others to give.

TOGETHER we can raise the funds and build for our children's children.

PRESIDENT'S MESSAGE

It's that time of year - again! The leaves are down, the pumpkins have been carved, decorated, and perhaps eaten, and the Christmas shopping season is in full swing. Membership renewals have been sent out as a reminder for you to send in your dues once more - unless you are a life member of the Ohio Genealogical Society. In that case, you will receive a permanent O.G.S. membership card in a separate mailing.

So why should you renew your membership? There are lots of reasons, some of which can be cited each year: four issues of the Report (fantastic magazine); twelve issues of the Newsletter (great for speedy responses to queries); submission of applications for First Families of Ohio (one of the most difficult of ancestral groups to join); depositing of cards in the Ancestral Card File (with matches sent to you directly, if found); low-cost trips to far-away places like Washington, D.C. and Harrisburg, PA....

Then there are special events that will be coming up in 1987: our Annual Convention will be held in Perrysburg, Ohio (our first venture for this activity to be held outside Franklin Co.); the completion of the Ancestral Charts publishing project; higher number of members (which will give you more contacts for your own research); input into the proposed revision of the O.G.S. Constitution and Bylaws....

And, while you are at it, why don't you consider sending in an extra donation to the Ohio Genealogical Society, earmarked for the New Library Building? As you have undoubtedly heard from others, the new tax laws which will be in effect as of January 1, 1987 will severely limit the tax benefits of giving monies or goods to non-profit organizations such as ours. And goodness knows, we certainly need that new library building.

As you write out your membership renewal check, double-check and see if you might need to renew your dues to one or more of the chapters of the Ohio Genealogical Society. They do a tremendous number of projects, but they need your continued support (both financially and timewise). The chapters are another vital part of our organization, so please don't forget them.

By the way, when you do renew your membership, please think about how you might support O.G.S. and its projects in other ways. Could you write an article for the Report? Is there some typing you could do? Do you have expertise in fund-raising which you could offer to us? After all, running a 6,000+ organization on only two full-time staff members is difficult - volunteers of all sorts are always needed - and by donating time, volunteers help us to keep YOUR dues down! Isn't there some way YOU could help out? If there is, contact us at Headquarters.

A gentleman recently mentioned to me that he was a member of O.G.S. and when I asked him what he liked about our organization as an out-of-stater, he instantly replied: "I think we are all one big family; getting my Newsletters is like getting a letter from home!" I can't say it any better.

Finally, I do wish all of you a very happy holiday season and a great New Year, full of genealogical brick walls that come tumbling down. And, I look forward, with your help, to the best year ever for the Ohio Genealogical Society.

Julie Overton, President
Ohio Genealogical Society

Also, offer your suggestions for improving it. I would like to know what you are thinking and how (or if) this newsletter has helped you.

OFFER OF ASSISTANCE FROM WALES

Mr. R. R. Williams, editor of "Gwreiddiau GWYNEDD Roots" wrote to us last month with regard to ancestors from Wales. He noted that Wales possesses publications which are of very special help to Americans seeking their ancestors' Welsh roots. These publications were produced and printed in the U. S. in the Welsh language. These are extremely valuable, as they contain quite elaborate obituary notices and stating, in the vast majority of these, where the deceased emigrant was born, and in some cases the names of their parents and how long they lived in the United States. These publications were produced by the Welsh Methodist, Baptist, and Congregational Churches in America, and publications commence in 1838.

He further notes that the obituaries are not confined to the well-known. Naturally, in the early years, most obituaries are from New York, Pennsylvania, Wisconsin, and Ohio.

Mr. Williams suggests we take note of the fact that Welsh people spoke a different language from the English, built their own chapels, and lived in a more communal organization compared to the English. This may aid our research.

If you would like members of the Society to make searches in the volumes to which they have access, adhere to these points:

1. Name(s) of the person(s)
2. Year of decease in the U. S. or approximate year, plus or minus two years
3. A self-addressed envelope
4. Two international reply coupons in order to purchase air mail stamps in Wales.

Mr. Williams' wrote his address as follows:
2 Pen Lon,
MENAI BRIDGE,
Gwynedd,
Wales. LL59 5LW

(International reply coupons can be obtained at most post offices and cost 80 cents each. Call your post office to see if they can supply you with the coupons.)

SOMETHING NEW AT O.G.S.

This summer, O.G.S. bought the I.G.I. file from The Church of Jesus Christ of Latter Day Saints.

The International Genealogical Index or I.G.I. file as it is more commonly called, consists of more than 88 million names of individuals extracted from records of birth, christening, death, marriage, or other vital records submitted by relatives, or copied by the church.

We've started by ordering the United States and Canada has been donated to us. The U.S. contains 887 microfiche and Canada has 48 for a total of 934 fiche with each containing about 35,000 names.

This is an important new resource. We hope you'll come in and learn more about the I.G.I. file and put it to good use.

On my recent vacation to McGregor, Clayton County, Iowa, located in northeast Iowa on the Mississippi River, I came across the following information on a placque placed on a restored old hotel located at 116 U.S. Hwy. 18 on the north edge of town.

W.H. "Uncle Billy" Harding
Builder and Proprietor. Born
Harper's Ferry, VA, Mar. 12, 1816
Began hotel career in Crawford
County, Ohio, in 1842 and came
to McGregor in 1852 to build
this hotel. He was known
from the Rocky Mountains
to Boston. Considering the
number on the move of
that time, this may be
a true statement.

"Uncle Billy" died
April 20, 1897

Restored 1967
Private residence

I hope that this information can be of help to someone researching a Harding family.

PRESIDENT'S MESSAGE

The Executive Committee and Trustee meetings of the Ohio Genealogical Society were held in Elyria, Ohio at the end of November, and in spite of the upcoming holidays, attendance was very good.

There were four replacements announced which you should know about. Our Recording Secreaty, Dorothy Limbach, has resigned due to other commitments, and Jane Fisher, currently our Corresponding Secretary, has agreed to take on the post of Recording Secretary (so now we are looking for a Corresponding Secretary!). W. Louis Phillips had resigned his position as a Trustee, and Sylvia Hargrove (formerly Vice-President for the Zanesville area, and a former Finance Chair) was elected to fill the vacancy. We welcome her back into our leadership fold.

Mary Beebe, who has conducted several O.G.S. tours to Washington, D.C., Pennsylvania and New England, resigned so she and her newly retired husband could work on some projects together. We received three offers of help for the slot, and I ended up choosing Beverly Schumacher, of Athens Co. Bev has taken several trips with Mary, and I'm sure she'll work out well.

We also have a new bookkeeper at Headquarters. Danya Schaeffer had submitted her resignation and after some searching, we hired Cindy Metzger. She has been working with us now for a few weeks, and seems to be getting thoroughly oriented to our activities.

The area Vice-Presidents each gave a report, and the most exciting item to report was that Jefferson Co. is in the process of organizing. So, if you are interested in becoming a member of their group, contact them via O.G.S. Headquarters, and your note will get passed on.

Another item that was brought up during the Executive Committee meeting was reports of chain letters being circulated among genealogists. The general concensus was that since these are illegal, recipients of these money-making operations should be reported to the U.S. Postal Service so they can take appropriate action.

Along those same lines, I can't resist adding that new "businesses" have come into being which want to sell books dealing with a particular surname. They all promise lots of names and addresses, and lots of hours that went into their "unique" publication, and which will only be available for purchase for a short time. One group is now sending out mailings from the New Jersey area. All I can say is: proceed with caution (extreme caution, I might add!).

I think the major part of the Trustees Meeting held in the afternoon centered around Dr. William Houston's report about the Ohio Records and Pioneer Families magazine (initiated and edited by Esther W. Powell for many years), and also the progress and ideas concerning the New Building Fund we are currently involved with. The main thought behind the discussion was that we need to collect the money as soon as possible so that we can end up with a building that is suitable for library purposes. So, in view of the well-advertised changes in tax laws for 1987, I ask, again - please send in your donations.

However, I think the very best news announced at the meetings was the computer situation. With the help of the O.G.S. Computer Advisory Committee, we have purchased a new computer (IBM), and we have even gotten almost everything transferred, and so far, everything works! I know the computer problems had Tom Neel worked to a frazzle, several volunteers ready to scream - and you, our members, kept waiting patiently. To all of you, whether you helped get things going again, or whether you waited patiently - thanks so very much!

The next meetings will be held Saturday, January 24, 1987, at Mansfield. And (dare I say it?) if we get snowed out, the meetings will be held February 28th. This will be when the Board of Trustees plans to review the proposed O.G.S. Constitution revision, so it will be a real working session.

Continued on page 176

PLEASE NOTE: The Ohio Genealogical Society Library will be closed from January 19 through January 25, 1987, Please make a note of this on your calendars now so that you won't make a trip to Mansfield and be disappointed. We are sorry for any inconvenience this may cause. Editor

QUESTIONS & ANSWERS

E. Lesley Matson of Eugene, Oregon, has provided us with an answer to the question appearing in the October 1986, OGS Newsletter, page 146, #2.

She informs us that in almost every town in the United States of America, you can find a Masonic Temple in the phone book. In the larger cities there is a secretary on duty during the week. In the small towns you might have to call in the evenings until you find someone there. Ask for the secretary and then ask for the address of the Grand Secretary of the state you need.

You will have to give him the name and dates of birth and death of the person for whom you are searching. He can tell you to what lodge your ancestor belonged and the address of the Secretary. You can then write for more information.

Mrs. Matson says that they chased her husband's great grandfather through three states and four lodges. Luckily, he changed his membership when he moved.

1880 CENSUS OF SHIPBUILDERS

Congress, in setting up the 1880 Census, ordered a series of special reports on economic matters. One of these reports is the only census of shipbuilding ever done.

Henry Hall, a business reporter and business manager of the New York Tribune, was appointed special agent for this survey. This narrative report (10th US Census, Vol. 8) is based on personal interviews with boat and ship builders across the county.

Some of Henry Hall's personal notebooks still exist. They are in the possession of the Stephen Phillips Memorial Library of the Penobscot Marine Museum in Searsport, Maine, Charles H. Howard, Librarian.

QUESTIONS & ANSWERS

Regarding the Q & A item in OGS Newsletter 17:10, p. 146, the village of Liebenow near Arnswalde in the former Prussian Province of Brandenburg is now Lubieniów, Poland, with an accent over the O. There is LDS microfilm of the years 1855-1870 for Liebenow. Incidentally, only the eastern part of Brandenburg is now Polish. Most of Brandenburg is in the so-called German Democratic Republic (East Germany); for instance, Berlin was in Brandenburg.

Rietzig near Arnswalde in the former Prussian Province of Brandenburg is now Rzecko, Poland. Klein Spiegel near Saatzig in the former Prussian Province of Pomerania is now Pośrzadło, Poland, with an accent over the first Z and a slash through the L. I believe Liebenow and Rietzig go together because of the proximity near Arnswalde, rather than Rietzig and Klein Spiegel, as the reader believed.

The best source for determining which German name corresponds to which Polish place name and vice versa is Müllers Verzeichnis der jenseits der Oder-Neiße gelegenen, unter fremder Verwaltung stehenden Ortschaften, a paperback supplement to the Müllers gazetteer. This blue paperback supplement is sold in this country by Genealogy Unlimited, 789 S. Buffalo Grove Rd., Buffalo Grove, IL 60090. Be sure to give the full title or you might mistakenly get the much larger and more expensive gazetteer of East and West Germany, which they also sell.

The paragraphs above were taken directly from Ernest THODE's letter. Mr. Thode can be contacted by writing him at RR 7, Box 306, Kern Road, Marietta, OH 45750-9437. He may have in stock the detailed maps that you need. Thank you, Mr. Thode for this comprehensive response! Editor
